

12th Grade Summer Assignment

Welcome to 12th Grade English! Over the summer, you have an assignment to make certain we don't lose all that you learned in 11th grade and to prep you for the first few days of school.

The due date for the assignment is the first day of school. When you walk into class on the first day, you should have the assignments done and ready to be handed in to your teacher. It will count for a grade.

Assignment:

Listen to the speeches and write a ONE paragraph summary for EACH speech. Your response can be printed or handwritten. Clearly LABEL which paragraph is summarizing which speech.

If the links do not work, search the titles of each speech on YouTube or another website that will have the audio. If you have difficulty with accessing the internet or accessing a device, your local library will have computers and Wi-Fi available.
