

Required Summer Assignments

Students enrolled in the following courses for the upcoming school year are **required** to complete a summer assignment:

- Honors Algebra II: **Inmhavs2**
- Honors Precalculus: **wjjwzpbs**
- AP Precalculus: **7eqwseyv**
- AP Calculus: **mtovc3zf**

Students should join the Google Classroom for their course using the above codes. These assignments are designed to review and reinforce critical skills needed for success in the course ahead. Tutorial videos are available within the assignment to support students as needed.

- **Summer work will count as a classwork grade.**
- **Students will be assessed on the material during the first week of school.**

Optional Summer Practice

Students entering the following courses are encouraged to complete an **optional** summer assignment:

- [Algebra I](#)
- [Geometry](#)
- [Algebra II](#)

These assignments provide an opportunity to review key concepts and ensure a strong start to the school year.

Dear Parents and Guardians,

As part of our commitment to preparing students for success in their upcoming math courses, we have developed summer math assignments for certain courses. These assignments are designed to help students review key concepts and reinforce the skills they'll need at the start of the school year.

Required Summer Math Assignments

Students who are enrolled in the following courses for the 2025–2026 school year are **required** to complete a summer assignment:

- Honors Algebra II:
- Honors Precalculus:
- AP Calculus:

Students should join the Google Classroom for their course using the class codes above. These assignments are intended to review essential prerequisite skills and concepts. Tutorial videos will be available to support students as they work through the material.

Please note:

- Completion of the summer assignment will count toward the student's classwork grade.
- Students will be assessed on these skills during the first week of class in September.

Optional Summer Practice

Students entering **Algebra I, Geometry, or Algebra II** are encouraged to complete an **optional summer practice assignment**. These are not required but are recommended for students who want to refresh their skills and feel confident entering the new school year.

Links to the optional assignments can be found on the school website.

Thank you for your continued support, and we wish your family a restful and productive summer!
