Copying someone else's work, asking for or giving someone the answers for tests/quizzes/assignments ***is cheating***.

Copying/pasting and printing information from a website to submit as your own work constitutes ***plagiarism***.

Using Google Translate to translate your sentences or paragraphs is considered ***cheating***.

- Your grades will go up or down depending on your performance in classwork, assessments, and class participation. You earn your grades with your hard work. Complete all work to the best of your ability and in a timely manner for the best grade possible.

MAKEUP WORK:

- If you are absent and you miss a quiz or an assessment, it is your responsibility to talk to me in order to schedule a make-up time within five days of your return. After that time the missing grade becomes a zero.
- You must make up all assignments you miss while absent within a reasonable amount of time. After your return to school, you will be allowed one day per each day of absence to complete the missing work.

LATE WORK POLICY:

- Assignments are ***due on the due date***. Late homework or late assignments will be deducted 1 point for each day they are late.
- IEP or 504 guidelines will always be followed as stipulated in the documents.

PARTICIPATION:

- Participation is expected of all students in Spanish class. In order to learn to speak a language it is necessary to practice and use what you have learned constantly. To be successful, it is extremely important to speak the language ***as much as possible***.
- Participation also means that you are engaged in the classroom activities **at all times**. You are required to be on time to partake of all learning activities and to avoid distractions such as unnecessary use of electronic devices.

LATENESS TO CLASS:

- Please arrive on time to class (before the bell). Unexcused lateness prevents you from fully participating in the learning process. As such, this will affect your participation grade. Repeated lateness to class will also result in parent notification (after 3 occurrences). Should lateness continue you will be referred to an administrator.

ELECTRONIC DEVICE POLICY:

- Per the Student Code of Conduct students **may not** use cellphones or earbuds/earphones during class unless directed by the teacher to do so for academic purposes. Uncontrolled use of electronic devices presents a distraction which disrupts the learning process and doesn't allow you to fully participate in class. As such, this will result in a deduction of points from your participation grade. Please refer to the student Code of Conduct for further disciplinary actions. Repeated violations will result in parent notification and referral to an administrator.
