CLASSROOM NORMS

- We are to be prepared each day, respect each other, and to actively participate.
- Be rested and ready to learn.
- Follow all safety rules, as described in the science safety procedures, which will be reviewed with students before each lab activity.
- All rules set forth in the Student Handbook will be enforced.

ABSENCE & MAKEUP WORK:

If you are absent, you are still responsible to make-up the work you missed. It is the students' responsibility to contact me after an absence to receive direction for make-up assignments. Any missed work must be completed within a reasonable timeframe.

ACADEMIC HONESTY:

Academic dishonesty will not be tolerated. Students are expected to do their own work. In order for me to be able to evaluate the learning, it is imperative that I am able to observe each student's individual learning process. Refer to the student handbook for more information concerning academic honesty.
