

US History I Syllabus

Teacher – Mr. Levine

Classroom – AC 105

E-mail – levinez@mcmsnj.net

Course Description – In this course, students will acquire the knowledge and skills to think analytically and systematically about how our nation came to be. Subjects that will be touched upon throughout this year will include Colonization and Settlement, Revolution and the New Nation, Expansion and Reform, Civil War and Reconstruction and The Development of the Industrial United States.

Rules – In addition to following school rules, students must

1. Be seated and ready to work at the time of the bell
2. Be polite and respectful; use appropriate language and good manners
3. Maintain a neat area
4. Keep cell phones and other electronics away unless given permission to use them

Policies and Procedures:

1. Grading – There will be four marking periods, each totaling 25% of your final grade for the year. Each marking period will be calculated with 50% of the grade coming from homework/classwork/participation, 30% from tests and 20% from quizzes
2. Bring chromebook daily to class
3. All Google Classroom assignments should be completed only after they're assigned
4. Grades will drop every day an assignment is late, unless excused
5. If absent, students are responsible for making up missed work in a timely manner
6. Unless copying notes, all work done must be original and in your own words. Any plagiarized work will be given a zero and students may receive further disciplinary action. This includes ChatGPT!
7. Bathroom passes will be given when necessary, and one pass per day unless emergency
8. IDs must be worn in class, and students may not receive a pass if their ID is not on
