Perth Amboy Magnet School Achieves Top 20% Summative Statewide Ranking in New Jersey

PERTH AMBOY, NJ — Perth Amboy Magnet School has earned a distinguished position among New Jersey's public high schools, ranking 63rd out of 358 in the state's latest summative performance ratings, as reported by NJ.com on April 15, 2025. This achievement places the school in the top 20% statewide, reflecting its commitment to academic excellence and student success.

Serving 264 students in grades 9–12, Perth Amboy Magnet School is part of the Middlesex County Magnet School District. The school boasts a graduation rate of 95%, surpassing the state average of 85%. Additionally, students have achieved an average SAT score of 1080, indicating strong college readiness.

"This recognition is a testament to the hard work and dedication of our students, faculty, and staff," said Brian Bilal, Principal of Perth Amboy Magnet School. "We are proud to provide a learning environment that fosters academic achievement and personal growth."

The school's diverse curriculum and supportive community contribute to its students' success. With a student-teacher ratio of 12:1, educators can provide personalized attention to each student, enhancing the learning experience.

Perth Amboy Magnet School's ascent in statewide rankings underscores its role as a leading institution in New Jersey's educational landscape. The school remains committed to continuous improvement and excellence in education.
