PARENT/GUARDIAN REQUEST FOR SCHOOL PHYSICAL

Dear Parent/Guardian:

New Jersey State Law requires that all students must have a physical examination by their own family doctor for:

- All new students upon enrollment into the district
- All students in Grades 9 and 11
- Students who apply for working papers
- Participation in school athletics (sports physicals: SEE NURSE FOR REQUIRED FORMS). A sports physical meets the requirements for an entrance physical.

If you do not have a family doctor, the School Doctor is available to provide this required physical examination at no cost.

Please check one of the following statements, and return this form to the School Nurse at the start of school.

_____ I do have a family doctor who will complete the physical examination at my own expense. A copy of the required school form will be completed by my family doctor, including any and all findings, recommendations, and/or restrictions, and returned to the School Nurse within 30 days of receipt of this notice.

_____ My child will be getting a yearly physical in _____.

_____ I do not have a family doctor and request for the School Doctor to provide the required physical examination.
