

EAST BRUNSWICK TECH SOCCER

Dear Incoming Freshman/Transfer Student:

Please accept this letter as my personal invitation to join the East Brunswick Tech 2016 Soccer Team. The Tiger soccer team is a co-ed team so boys and girls, as well as beginners are welcome. We have a varsity and junior varsity team so there is a place for all skill levels.

To be eligible to play, you must first complete and submit a permission slip and various medical forms which may be completed online or obtained directly from the coach.

You must be examined by a physician who must complete and sign the downloadable Athletic Physical Form.

The free school physicals are scheduled for August 4th at 9:30 AM in the school nurse's office.

You may also use your own physician, but he/she must complete the school forms which must be submitted to the Nurse for approval by August 4th, **before** beginning practice on August 15th. All forms may be completed online at www.mcvts.net, click on Schools and choose East Brunswick Campus, then click on Athletics and choose the Athletic Forms page.

You must be cleared by a physician before you can begin practice

Practice starts on August 15th so the sooner you obtain a physical the better. We practice every day from 9:00-12:00 behind the school. Once school starts we will practice from 3:45-6:00 daily. Our first game will be during the first week of school.

I am looking forward to working with you.
