2. The Academic Program
3. The Career & Technical Education (CTE) Program
4. The Application Process
5. Questions & Answers

An Overview of the District

Our Campuses

5

Traditional Career & Technical Education (CTE) Programs:

- Perth Amboy Vocational H.S.
- East Brunswick Vocational H.S.
- Piscataway Vocational H.S.

The East Brunswick and Piscataway Campuses offer both general and special education programming options

Academies:

- The Academy of Allied Health and Biomedical Sciences-Woodbridge
- The Academy for Science, Mathematics, and Engineering Technologies-Edison

Piscataway

East Brunswick

Full time and Shared time students

Full Time Students

- Receive Academic and CTE at MCVTS

Shared Time Students

- Attend MCVTS for a CTE Program only.
- Academics are provided by the home district

Full Time applications are given first preference. Shared Time options can be discussed on a case by case basis.

Why should you come to MCVTS?

Career Planning

- ★ Career Technical Education (CTE)
- ★ Cooperative Education Program (CE)
- ★ Internship Opportunities
- ★ Employment Opportunities
- ★ Volunteer Work
- ★ Career Specific Certifications

College Planning

- ★ College Tours & Open Houses
- ★ PSAT, SAT/ACT Prep
- ★ Naviance
- ★ Scholarships
- ★ Dual Credit Courses

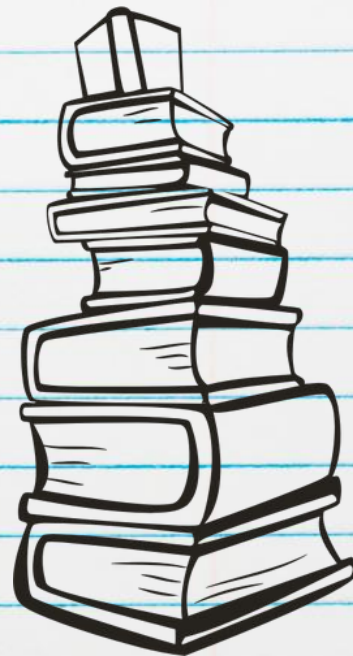

The Academic Program

Academic Information

The Academic program at MCVTS fulfills the New Jersey requirements for a State endorsed high school diploma

Students will take:

- **4 years of English**
- **4 years of Physical Education/Health**
- **3-4 years of Mathematics**
- **3 years of History**
- **3 years of Science**
- **1-2 years of World Language**
- **1 year of Financial Literacy**

Academic Information (Continued)

Our academic offerings consists of:

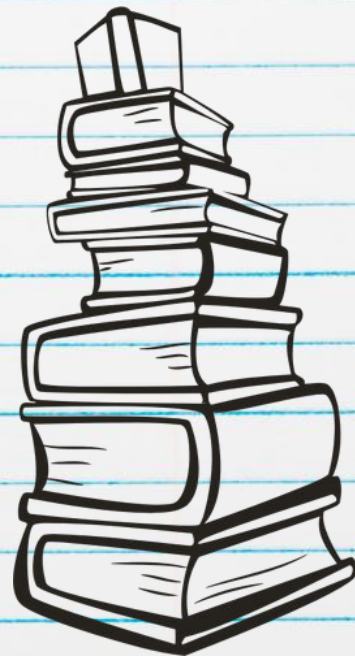

- General Education/College Prep
- In Class Resource
- Pull Out Resource

Related Services offered:

- Counseling Services
- Speech Language Services

Depending on grade level, students receive anywhere from 1.5 - 3 hours of CTE each day

Transportation is provided by the Home district, for all students

The Career & Technical Education (CTE) Program

CTE Programs

CTE Career Majors are divided into two categories

- **Mainstream**
 - ❑ Class size may have 25+ students
 - ❑ Comprised of students with and without special needs
- **Career Development**
 - ❑ Maximum class size is 15 students
 - ❑ All students are classified

CTE Structure

In September, 9th grade students rotate through five different Career Majors during the first marking period

- Each rotation lasts nine days
- Career Major instructors provide feedback on each student's experience in the class
- Students rate their experience and interest in each class
- Feedback from both the instructor and student are used to guide CTE placement

CTE Structure (Continued)

During the interview process, students are asked to choose five Career Majors, in order of preference.

Students are advised that their #1 Career Major choice cannot be guaranteed. Our goal is to place students in a Career Major that matches their interest and ability.

The image shows a presentation slide titled "GRAPHIC DESIGN". The slide has a black header and footer. The main content area has a green-to-yellow gradient background with a pattern of overlapping, stylized geometric shapes (chevrons and zig-zags) in various shades of green. The text "GRAPHIC DESIGN" is centered in a white, sans-serif font.

Welcome to our Piscataway Vo-Tech Open House!

[View the Open House Presentation - A great introduction to our school!](#)

The videos and presentations below were produced by our teachers, working by themselves or in teams. They represent a wide variety of styles and video skills. They all have tried to present a virtual open house that will inform current and future students and parents about our school. If you have any questions, please contact us. Prospective students should refer to our [admissions page](#) and contact us as soon as possible. Hope to see you all in person sometime soon!

Academy Application

The Academy Application is now open until Wednesday, November 24th. Applicants must be in 8th grade and current residents of Middlesex County.

Middle school counselors will be required to submit student grades and other requested records.

MCVTS School Application

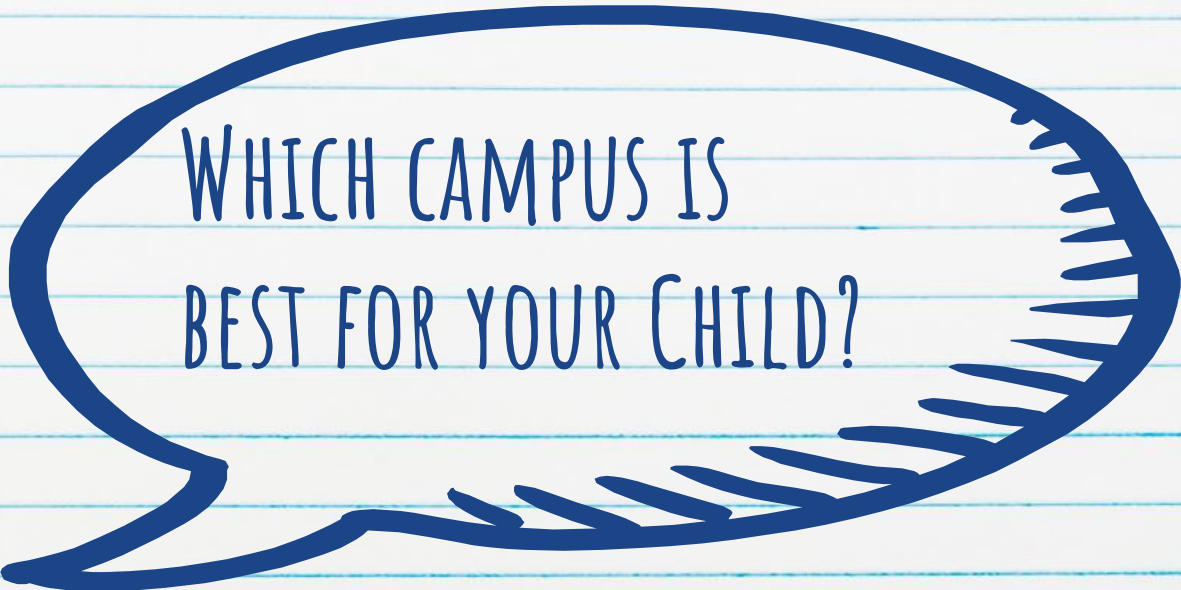

Students can apply to any of our East Brunswick, Perth Amboy, or Piscataway schools during 8th grade to begin as freshmen. Applications to the School of the Arts require an audition. Transfer applications will be considered based on availability for current 9th and 10th grade students. See the Schools link above for more information.

[Begin MCVTS School Application](#)

Career Choices Application - 8th grade program

Our Career Choices Program serves as a career diagnostic service for [8th grade level special education students](#). Students have the opportunity to explore three major career clusters - Construction Technology, Digital Media Technology, and Food Health Technology - in rotations of six weeks each. Students who participate in the Career Choices Program are considered for early admissions into our high school program.

[Begin Career Choices Application - 8th grade program](#)

WHICH CAMPUS IS
BEST FOR YOUR CHILD?

Since Piscataway and EB have similar academic programs, most students choose which campus to apply to based upon:

- **Location**
- **Career Major Offerings**

East Brunswick
Campus
