Dear Parent or Guardian,

Middlesex County Magnet Schools is excited to provide you with a convenient and secure online payment service called mySchoolBucks. This website allows you to deposit money directly into your child's school meal account and view balance/purchase information for the past ninety days. By having money in each child's account prior to entering the cafeteria, we find that the lunch lines move along much faster, which gives your child more time to eat and be with friends.

You will not be able to make a deposit on your child account from July 1-August 31. The system is down until September 1st. You can still go ahead and set up your child's account but can't make a deposit during the summer months.

To access this service:

1. Go to the district web site at www.mcmsnj.net.
2. Scroll to bottom of page under Middlesex County Magnet Schools Shortcuts.
3. Click the Food and Services shortcut.
4. Under parent lunch info click on the link to the my school bucks website.
5. From this website you can create your account and add money to your child's school meal account. All you need is your child's name, school, and student ID number. The instructions listed on the back of this page will guide you through the process.

Things to know:

- If you have more than one child in the District you can handle all online prepayments from the same online account.
- Payments may be made with a Visa, MasterCard, and Discover credit or debit card. You may also make a payment using an e-check.
- In order to use the online prepayment service, a small convenience fee for each transaction will be assessed to cover the bank fees. The convenience fee is \$1.95 per deposit transaction. Parents placing money into multiple meal accounts will only be assessed the \$1.95 fee once per deposit transaction. Middlesex County Magnet Schools will not profit from the use of this site. . Please Note: You may fund up to \$120 per child, but a family may pay for all of their children on a single transaction.

We are very excited to offer this new service and are confident that mySchoolBucks will benefit you, your child and our District. If you choose not to take advantage of the online payment service you may continue to make advance payments via cash or check, which should be made payable to Middlesex County Magnet Schools. Please remember to write your **child's full name and student ID#** on the check.

If you have any questions about this new service, please feel free to contact my office at (732) 257-3300 ext. 1951.

Thank You,

Francine Thompson
